Charming Property with Panoramic Views in the Hills of La Romana

Villa	La Romana	3	2	180 m²	1500 m²

Discover this charming property, ideally situated in the hills of La Romana, in a privileged setting offering beautiful, uninterrupted views of the surrounding countryside. Set on a generous 1,500m² plot, this property offers approximately 180m² of built area, combining space, comfort and tranquillity, while benefiting from convenient connections. The house comprises three bedrooms, two bathrooms and a welcoming living room featuring a pellet stove, creating a warm and cosy atmosphere. The kitchen blends harmoniously with the living space, while the glazed-in porch provides a wonderful additional area where you can enjoy the natural light and stunning views throughout the year. Outside, the plot offers plenty of potential for creating a beautiful garden, charming relaxation areas or simply enjoying the peace and natural surroundings. An ideal home for those who appreciate nature, tranquillity and open spaces, without sacrificing easy access to local amenities and good transport links. A wonderful opportunity to enjoy the Mediterranean lifestyle, with generous living spaces, a peaceful setting and truly beautiful views! Early viewing is highly recommended!
