Completed in late March 2025, this elegant single-storey home combines contemporary design with timeless elegance. A perfect place for those seeking tranquility, comfort and style. This creates a powerful and refined whole that blends beautifully into the natural surroundings. The property has 3 stylishly furnished double bedrooms, each with a luxurious en-suite bathroom, one of which has a bath. Two bedrooms have spacious walk-in wardrobes, while the third has a built-in wardrobe. Step into the light and spacious open plan living area, where large windows offer breathtaking views of the surrounding countryside. An atmospheric wood-burning stove provides extra warmth and cosiness — perfect for cosy evenings. The modern kitchen with cooking island is ideal for both everyday use and entertaining.
