Spectacular villa in the Los Balcones urbanization, in Torrevieja, with stunning views of the salt lagoon and a large plot of 1,100 m². The property offers 235 m² of built space, distributed over four spacious bedrooms, each with its own en-suite bathroom. The highlight is its large infinity pool, located at the front of the house, from which uninterrupted views of the lagoon can be enjoyed. The pool connects directly to the front porch, the large living room, and the open-plan kitchen, creating an open and fluid space. The villa's basement is another of its strong points, with enough space to accommodate up to four vehicles. Additionally, it includes a small apartment with an independent entrance, perfect for hosting guests. The house also features a glazed porch and two outdoor terraces located on either side, providing several outdoor lounging areas. The 1,100 m² plot surrounds the entire property and offers access from two different streets, a rare feature in the area, ideal for those seeking privacy or needing extra space for vehicles. As for its location, Los Balcones is only 4 kilometers from Los Náufragos Beach, a 10-minute drive away, and about 12-15 minutes from other popular beaches such as El Cura and La Mata. Torrevieja's city center, with a great variety of shops and leisure options, is a 10-minute drive, while Alicante-Elche Airport is 40-45 minutes away, and Murcia International Airport is 40 minutes away, both via the AP-7.
