The property on the outside has a plot of approximately 1000 m² with concrete hard standing to accommodate two cars. There is a new 8m x 4 m swimming pool to the front of the property and to the rear there is a small courtyard garden with two brick-built storage sheds and one wooden storage shed and a hot tub. The views across the mountains to the front of the property are stunning. To the inside of the property is accessed via three steps to the Naye and separate glazed room ideal for summer eating. The Front door leads you a large living room with log burner and air conditioning and adjacent to the living room is a good sized fully fitted kitchen. There are three good sized separate bedrooms accessed via the hallway along with the family bathroom. The Master Bedroom has a separate dressing room and shower room where you can also access the rear utility room which has rear access to the garden/courtyard. The property would benefit from re-decorating and a little Tender Loving care but is ideally situated for quite living whilst remaining close to all necessary amenities.
